

North Carolina Elks Lodges, Guess What!!
WE ARE GOING TO PUBLISH A COOKBOOK!

"NC ELKS COOKING"
NORTH CAROLINA STATE ELKS ASSOCIATION CHARITABLE TRUST

We want to tell people about the NC State Elks Association Charitable Trust and at the same time raise some money while we get to know some of the fabulous Elks from across North Carolina, so; we decided to publish a cookbook made up of recipes from the Mountains to the Coast.

We would like at least 20 recipes from each of the 38 Charitable Trust Member Lodges PLUS one recipe from each Lodge that the Lodge picks as deemed the "Food to remember us by". For instance maybe Gastonia would have the R.O.'s Barbecue Slaw Recipe, Durham could have an Amos & Andy's Hot Dog Chili recipe, maybe Fayetteville will tell us how to "Smoke a Butt", Roxboro will tell us their "secret" to BBQ Chicken, Wilmington will give up how to cook prime Rib for 700 or Morehead, Lexington may have a special way to cook Pig? Or Kinston or Rocky Mount or Goldsboro or Shelby.... This could go on & on!

Also, some recipes from our Elk friends from across the Nation especially our Sponsor!

We are going to create a Cookbook like you may have never seen before:

- 3 Ring Binder Cookbook [loose leaf]
- Tab Divider sections with favorite recipes index
- Includes a CD with 10 specialty Cookbooks & Our Cookbook
- Cookbook Stand
- Plastic Recipe Pocket
- & More

To help us initiate the plan, please **provide us with your Lodge's Charitable Trust Cookbook Coordinator name, email address & contact information** so we will be able to coordinate all of the details, updates, how to, etc regarding "*NC Elks Cooking*" Cookbook. We will begin collecting recipes as soon as we receive this information. Coordinators and Individuals will be able to enter recipes on line directly with a Web ID.
